

Create a IBM Watson Platform and device

TEAM ID	PNT2022TMID06149
Project Name	Smart waste management for Metropolitan cities

IBM WATSON ACCOUNT:

The screenshot shows the IBM Watson IoT Platform interface. The top header displays the platform name and user information (karnicashivani@gmail.com, ID: i5w9m5). The left sidebar contains navigation icons. The main content area shows a table of devices with columns: Device ID, Status, Device Type, Class ID, and Date Added. A device with ID PNTTMID06149 is highlighted. Below the table, a detailed view for this device is shown, including its identity, device information, recent events, state, and logs. The device information section lists the following details:

Device ID	PNTTMID06149
Device Type	smart_waste_management_2023
Date Added	Nov 14, 2022 9:04 PM
Added By	karnicashivani@gmail.com
Connection Status	Disconnected

The screenshot shows the 'Device Drilldown' page for device PNTTMID06149. The page title is 'Device Drilldown - PNTTMID06149'. The left sidebar contains navigation icons. The main content area shows the 'Device Credentials' section. Below the title, there is a message: 'You registered your device to the organization. Add these credentials to the device to connect it to the platform. After the device is connected, you can navigate to view connection and event details.' Below this message, a table lists the device credentials:

Organization ID	i5w9m5
Device Type	smart_waste_management_2023
Device ID	PNTTMID06149
Authentication Method	use-token-auth
Authentication Token	++DFIyakiq-wnUfj@o
